Taken from the Minutes of the Swarthmore Monthly Meeting
of the Religious Society of Friends held Tenth month 17th
1939:

"The Overseers reported that a request for membership in
the Society of Friends had been received from Frank Aydelotte.
The silence that followed this announcement spoke more
eloquently than any verbal expression the deep feeling
of the Meeting. For eighteen years we have felt a great
sense of support from his leadership in our midst and have
always been aware of his interest and affection. The
Meeting felt it was unnecessary to hold this application
for another month and accepted it. The Clerks were asked
to call upon Frank Aydelotte, give him a copy of this minute
and welcome him into the Society."
