Librarian
Institute for Advanced Study
Princeton, New Jersey

Dear Miss Sachs:

I am sorry that my reply to your letter of May 8,
1951 has been delayed.

I checked the titles [presented to the Institute Library by Prof.
Goldman] carefully and it is my well considered opinion that the current
market value of the collection is between \$5,800.00 and \$6,000.00.

...

Very sincerely yours,

(signed) Frederick A. Bennett
