Dr. J. Robert Oppenheimer  
Institute of Advanced Study  
Princeton, N. J.

Dear Robert:

Here are some items which I submit for your consideration as possible subjects for the Faculty-Trustee Committee when it meets in the fall.

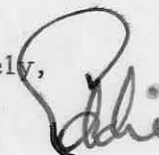

- (1) Comments from Director as to any changes or developments since May 1956. +
- (2) Further use of Director's Fund to bring scholars to the Institute for temporary membership in fields not now considered as subjects of advanced study. +
- (3) Use of advisory committees similar to that already adopted in psychology. +
- (4) Use of Director's Fund for conferences and meetings to widen our views and interests and for publication of pamphlets and articles relating to the work of the Institute. +
- (5) Consideration of Dr. Veblen's memorandum in reference to younger temporary members in Department of Historical Studies. -

As you will see, these are scattered ideas that I have from re-reading the report. They are put on paper mainly for the purpose of trying to point up a program.

When you get a chance, please let me hear from you.

Best wishes.

Sincerely,

17 Jan. '57
