**Shii Studies Review**

**Aims & Scope**
A refereed journal with an international editorial and advisory board, the *Shii Studies Review* provides a scholarly forum for researchers specializing in all fields of Shii studies. Issued twice a year, the journal publishes peer-reviewed original studies, critical editions of classical and pre-modern texts, and book reviews on Shi'i law, *ḥadīth*, Qur'anic exegesis, philosophy, *kalām*, ritual and practices, classical and contemporary literature, and other aspects of the history of Shiism. It is dedicated to the study of *Imami*, *Ismaili*, *Zaydi*, and other trends in Shi'i thought throughout history. Taking an expansive view of the richly variegated Shi'i traditions in both thought and practice and their cultural and social contexts, the *Shii Studies Review* makes a distinctive contribution to current scholarship on Shiism and its integration into the broader field of Islamic studies.
