Dear Mike:

As part of the forthcoming meeting of the Board of Trustees on April 28 and 29, the Executive Committee of the Board will be meeting with the Faculty Liaison Committee. As you know, the meeting is scheduled for 4:30 p.m. on Friday, April 28 in the Seminar Room of West Building. No agenda items have been presented to me by the Liaison Committee, but I am sure that they will have various items which they will wish to take up with you directly.

Among these items will be my proposal for a change of titles at the Institute. I discussed this proposal with the Faculty at the Faculty meeting of April 5. There was a general discussion of the reasons for such a proposal and I put before the Faculty the points which I have made in the attached letter to Howard Petersen. This letter is being sent to you as background for your discussion of the matter with the Faculty Liaison Committee.

With best regards, I am

Cordially yours,

Harry Woolf
