Professor Michael Walzer
School of Social Science

Dear Michael,

We have had, since last year, a Trustee-Faculty Committee to Review the Libraries, of which Mrs. Gladys Delmas is chairman, and Kenneth Setton the Faculty representative.

Although Kenneth is now retired, his previous experience at Penn as a librarian, his long friendship with Gladys, and his wisdom argue our keeping him on the Committee. But we do need a representative from Social Science, and I am hoping you will agree to serve.

I assure you that it will not be an arduous commitment!

Sincerely yours,

Harry Woolf

Professor Albert Hirschman
School of Social Science

Dear Albert,

At the last meeting of the School of Historical Studies, it was proposed, subject to the approval of the School of Social Science, that Dr. Woolf appoint Elliott Shore non-voting chairman of the Library Committee.

Would you let me know if this is agreeable to you and your colleagues, and also who will represent the School on this Committee? Dr. Woolf has already asked Michael Walzer to serve on the "Trustee Library Committee" which is a joint Trustee-Faculty Committee and will be dealing (only occasionally) with other more long-range matters.

Thank you!

Sincerely yours,
