SCHOOL OF MATHEMATICS

October 18, 1974

To the Faculty members of the Governance Committee and the Director:

This is to confirm that we shall meet next week. From my discussions with you, I understand that Wednesday, October 23, at 11 a.m. and through lunch, in the Board Room, suits everybody. If not, let me know at your earliest convenience. *noted*

The main object of the meeting is to re-examine some articles in the document on the Governance of the Institute not covered in previous discussions and which may require some changes.
